**US Department
Of
Housing & Urban Development**

**Nationwide
Project
Management & Reporting**

The Situation

80 Field Offices

+ 4,100 Projects

+ multiple cross-department goals

+ Congressional and GAO Scrutiny

= *A Need for Detailed Reporting*

The First Attempts

Did Not Work*

- Not robust enough for enterprise-wide use
- Difficult to customize
- Weak reporting capabilities
- Not secure

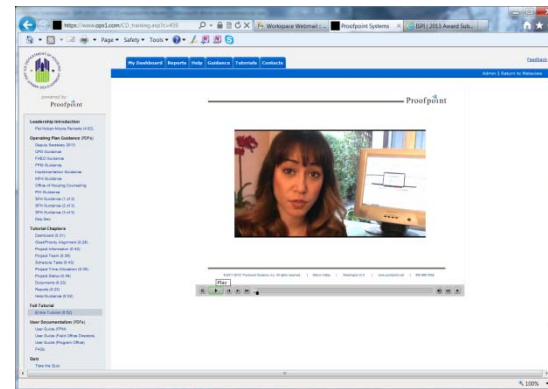

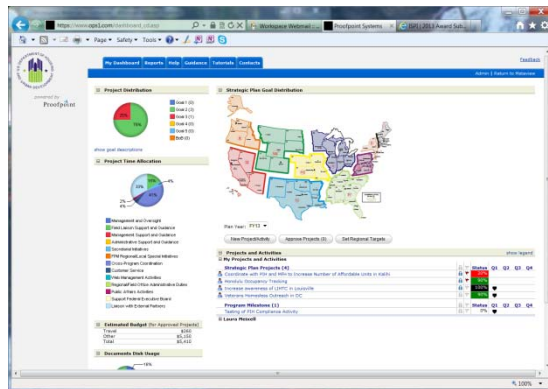

...And Very Costly

The Discovery

- Research-based
- Performance-focused
- In the Cloud
- Customizable & Responsive
- Cost effective
- Secure

The Results

- Local-to-National visibility of every project in real time
- Easy to use work screens for every employee
- Built in tutorials, help, and guidance
- Extensive, customizable reporting
- Enterprise-wide culture change
- Huge cost savings...and award winning!
